

Information for group leaders and parties of 20 guests and more

*Christmas is more than a date on the calendar, it is a place in the heart. It is a time of treasured memories; a special toy, a decorated tree, a family tradition.
National Christmas Center is the place to share those wonderful memories.*

Tours at National Christmas Center are self-guided. Please allow at least a 1 1/2 hour stay. National Christmas Center is handicap accessible and there are numerous seating opportunities throughout the exhibits.
